

NATIONAL COLLABORATING CENTRES FOR PUBLIC HEALTH

- Integrative Science / Mi'kmaw Elder Albert Marshall invited speaker

Institute for Integrative Science & Health: www.integrativescience.ca

• June 2010

Mi'kmaw Elder Albert Marshall of Eskasoni First Nation was an invited speaker and elder at the National Collaborating Centres for Public Health (NCCPH) 5th Annual Summer Institute in Winnipeg, MB, 28-30 June 2010.

The summer institute had as its overarching theme “Making Connections for Public Health Practice, Policy, and Research” and daily themes of:

- Connecting with Others
- Connecting with Evidence
- Connecting to Action
