

UNAMA'KI COLLEGE OF CAPE BRETON UNIVERSITY – mural

- mid 2000s
-

Artist Basma Kavanagh was requested to create the mural that greets everyone immediately upon their entry into the Unama'ki College of Cape Breton University. It was Ann Denny of Eskasoni First Nation, and who has long worked in Aboriginal programming at Cape Breton University, who made the request to Basma. Ann also provided Basma with suggestions as to what to should be depicted in the mural.
